MORE: The SFArtsED Players is a musical theater company that reflects San Francisco in all its diversity. Hailing from the neighborhoods of San Francisco, the SFArtsED Players is made up of 30 theater performers who come from SFArtsED's performing arts residencies as well as from the organization's summer arts intensive, called SFArtsED Summer, held each year at School District sites. The young performers are selected for their talent, enthusiasm and commitment for the musical theater form. They work with the directors of the company 10 hours each week, training as "triple threats" (actor/singer/dancers) and rehearsing for their performances. The company performs both original musicals and Broadway classics. For more information about SFArtsED, visit www.sfartsed.org or call 415-551-7990.
